Training

Full Stack Development in MERN

May 2023 - July 2023

- Completed Full Stack course in Programming Pathshala as a summer training course in which I learned about JavaScript, ReactJS, NodeJS, MongoDB.

Projects

Gate Preparation | MERN

Jun 2024 – Present

- Developed a React web application with a focus on user interface and interactivity.
- I have designed a comprehensive GATE (Graduate Aptitude Test in Engineering) preparation platform for students. Leveraging the MERN (MongoDB, Express.js, React.js, Node.js) stack, I created an interactive and user-friendly website dedicated to facilitating effective exam preparation

Gemini Clone | React

May 2024 – Jun 2024

- Developed a Java GUI-based Supermarket Billing System automating the billing process for provisions in supermarkets.
- Implemented SQL database for storing product price details, ensuring efficient management of product data.

Celebrity Blog | HTML, CSS

Nov 2021 – Jan 2022

- Developed a responsive and visually appealing celebrity blog website using HTML and CSS.
- Enhanced understanding of front-end web development and design principles

Position of Responsibility

Co-founder | Bugs in DSW

May 2022 – Jul 2023

- Co-founding member of Bugs, an organization aimed at fostering a vibrant tech community within the university campus.
- Organize and lead a series of events and workshops focusing on technology, innovation, and collaboration.
- Successfully organized and led over 10 events and workshops, attracting over 500 students and creating a dynamic tech community within the university.

Achievements

- Solved over 100+ questions on Leetcode.
- Participated in hackathon conducted by programming Pathshala

Certificates

Node JS | Coursera

March 2024

React | Programming Pathshala

May 2023

HTML, CSS, JavaScript | Coursera

March 2023

Technical Skills

Languages: Java, Python, C++, JavaScript.

Technologies/Frameworks: HTML, CSS, React, Node.js, Bootstrap

Developer Tools: DevOps, Git, GitHub, AWS

Databases: SQL, MongoDB

Education

Lovely Professional University

Phagwara, Punjab

Bachelor of Technology in Computer Science, Grade: 7.27
